**Description:** Plain front panel for modular assemblies. It has a top and bottom bending to provide extra rigidity.

**Material:** 1.25 mm steel.

**Finish:** RAL 7035 structured powder coating.

**Delivery:** 1 piece with mounting material.

**Mounting requirements:** To be assembled on the modular system frame.

This mild steel plain front panel, MSMBP, is for the front frame of a fix system or modular frames. It can be machined easily and used for mounting of components and equipment, and also serve as a cover.
