## VENTILATION

IP54 AC Filter fan (1395-1530 m<sup>3</sup>/h)

Reference:  
**VF1395AC**

### Technical data:

|                                 |                             |
|---------------------------------|-----------------------------|
| <b>Voltage:</b>                 | 230 V 50-60 Hz              |
| <b>Air flow with filter:</b>    | 1395-1530 m <sup>3</sup> /h |
| <b>Protection rating:</b>       | IP54                        |
| <b>Operating temperature:</b>   | -20 °C / +75 °C             |
| <b>Service (at 40 °C):</b>      | 50.000 h                    |
| <b>Relative humidity range:</b> | 0-95%                       |
| <b>Filtration efficiency:</b>   | Up to 73%                   |

|                               |                           |
|-------------------------------|---------------------------|
| <b>Noise level:</b>           | 63-65 dB                  |
| <b>Static pressure:</b>       | 95-105 Pa                 |
| <b>Direction of flow:</b>     | From exterior to interior |
| <b>Reversible:</b>            | Yes                       |
| <b>Electrical connection:</b> | Terminal                  |
| <b>Current consumption:</b>   | 0,48-0,62 A               |
| <b>Energy consumption:</b>    | 105-140 W                 |
| <b>Protection rating:</b>     | Thermal                   |

### Specifications:

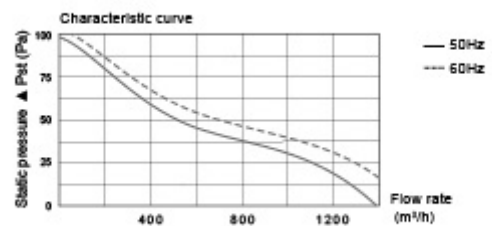

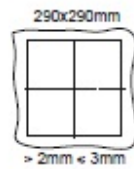

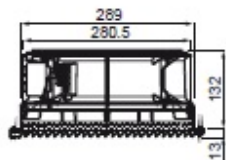

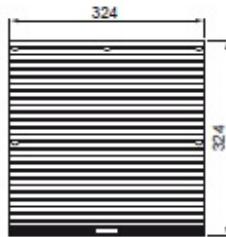

|                                       |                                 |
|---------------------------------------|---------------------------------|
| <b>Dimensions:</b>                    | 324x324x145 mm                  |
| <b>Thickness of the cabinet wall:</b> | 2-3 mm                          |
| <b>Cut-off dimensions:</b>            | 292x292 mm                      |
| <b>Colour:</b>                        | RAL 7035                        |
| <b>Material:</b>                      | ABS. Grille with UV protection. |
| <b>Filter material:</b>               | Nylon fibre 150 gm <sup>3</sup> |
| <b>Bearing:</b>                       | Ball bearing                    |
| <b>Seal:</b>                          | Autoadhesive polyurethane       |
| <b>Weight:</b>                        | 4,22 kg                         |
| <b>Assembly:</b>                      | Quick-connect clip              |

## VENTILATION

IP54 AC Filter fan (1395-1530 m<sup>3</sup>/h)

Reference:  
**VF1395AC**

### Codes:

**EAN:** 8431044250212  
**Customs tariff number:** 85.38.10.00  
**ETIM 8.0:** EC000320

### Product end of life:

Product affected by the WEEE Regulation.

### Supply:

Supplied in individual cardboard packaging.

### Certificates and standards:

**Certificates:** CE, ROHS
